

## CHILD PROTECTION POLICY STATEMENT

This policy statement has been drawn up with reference to the Scottish Swimming Child Protection Information Pack.

We, the Club, believe that Good Practice is as follows:

1. The welfare of children is everyone's responsibility, particularly when it comes to protecting children from abuse. Everyone in diving – administrator, official, coach, parent, friend, children themselves, everyone – can help. Children and young people have a lot to gain from diving. Their natural sense of fun and spontaneity can blossom in positive sporting environments. Diving provides an excellent opportunity for children to learn new skills, become more confident and maximise their own unique potential. The Club will place the needs of the child first and winning and competition second.
2. The underlying principles with respect to Child Protection are that:
  - The child's welfare is the first consideration
  - All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse
  - Children and young people must be treated with integrity and respect
  - Children and young people's programmes and competitions will be relevant to their ages and stages of development
3. We are committed to following the current Scottish Swimming's Child Protection Guidelines. All our regular adult helpers are members of Scottish Swimming.
4. The Club:
  - aims to create an enjoyable environment, where young people have the right to be safe, secure and free from threat
  - acknowledges that young people have the right to be treated with respect and for their concerns to be listened to and acted upon
  - will aim to ensure that junior members have specific programmes designated for them, with adequate supervision
  - is committed to ensuring that all new helpers, whatever their role, complete a Club Registration Form, sign a Code of Conduct and complete a Self Declaration Form in relation to Child Protection
  - provides clear, comprehensive, easily understood procedures for dealing with allegations of abuse / requests for help and support on a confidential basis
  - is committed to an equitable recruitment selection policy for coaches, will always emphasise fair play, hopes the children will respect their responsibilities as outlined in the Guidelines to promote Safety and Smooth Running of Training Sessions and The Code of Conduct
